Homework 4

Cole Richmond | A13928256

All of the visualizations found in the PDF submission can be found here.

Viz #1 - Movies by Gross Earnings

This visualization shows Michael Caine's top six movies by gross box-office earnings.

Viz #2 - Awards Won by Michael Caine

This visualization shows the awards won by Michael Caine since he began his acting career.

Viz #3 - Heatmap

This visualization shows the average IMDb ratings for movies starring Michael Caine grouped by both genre and grade. A screenshot has been provided, but this visualization is **interactive** using the `index.html` file in the GitHub repository.
